# RED'S CRAFT BREWS

Like most beer lovers out there, Red isn't satisfied with just one kind of beer. In his travels, he's tasted just about every brew out there and picked his favorites to inspire his freshest creations, brewed right on board!

## *ThirstyFrog* CARIBBEAN WHEAT

Smooth, crisp and refreshing, this orange-infused beer is as sunny as The Frog's favorite Caribbean hangouts.

### **Flavor**

Smooth, Crisp, Hints of Orange & Spices

## *ThirstyFrog* JAVA STOUT

Hey, even a fun RedFrog has a dark side. This dark, rich and decidedly frisky beer is so cool, you'll feel like wearing sunglasses at night.
